STATEMENT SECURITY OF SUPPLY OF TECHNOCLONE PRODUCTS (16-MAR-2020)

Dear Ladies and Gentlemen,

Due to the spread of the corona virus (SARS-CoV-2) and its current developments worldwide, we would like to make the following statement about the security of supply of Technoclone products.

As Technoclone, we are aware of our social responsibility to ensure security of supply for you as a customer in such difficult times. Therefore, production, quality control and packaging continue to work as usual. The administrative areas such as customer service, product management and accounting will deal with your concerns for the next time via home office.

From today's perspective, there are **no bottlenecks** for you as a customer. You can also view the current status of the security of supply for Technoclone products at any time on our website.

We are at your disposal for any questions

Best regards
